Absolute Roof Solutions

I would like to take this opportunity to thank you for the excellent job that your people did on touching up my roof, right from the beginning with Ken providing the quote to your team arriving to perform the work, replacing a few shingles, securing loose ones as well as updating and replacing my skylight.

Greg and his helper (I apologize as I do not remember his name) did an excellent job right from the first visit until completion, they were very kind and professional which in this day and age is sometimes hard to come by but was truly appreciated. When the time comes for me to have to replace my roof completely I guarantee I will be calling Absolute Roof and I would absolutely recommend your Company to anyone that needs roofing work done.

Thankyou
